

CRAZED

**Movements bring
people along for the
ride because they
keep following the
car that is trying to
run them over.**

**Only nonsensical
conversations
can be had with
people that view
me as a different
species.**

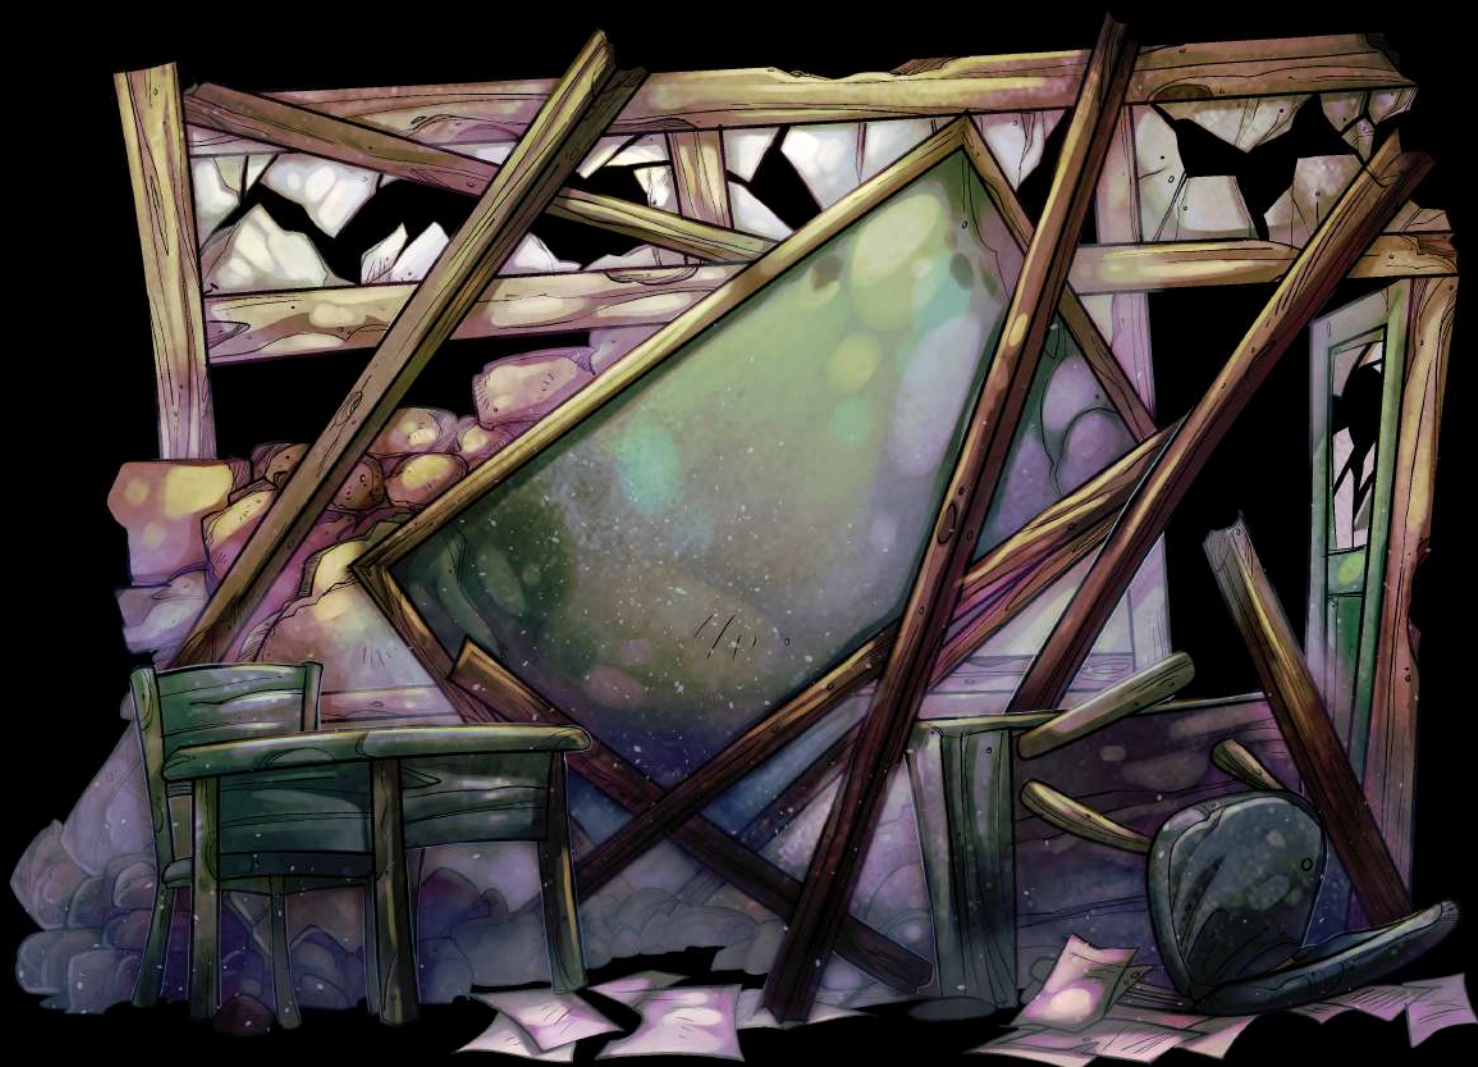

**Nobody gives up
having free labour if
they can afford it.**

The background is a dark, abstract composition with a mottled texture. It features various shades of dark green, deep blue, and dark red, creating a complex, layered appearance. The overall effect is moody and textured, resembling a close-up of a rough surface or a dark, atmospheric scene.

**The people you claim
to rebel against are
your bosses.**

**The truth about a society
comes from the ghettos that
are created within it.**

The world of feelings vs reality.

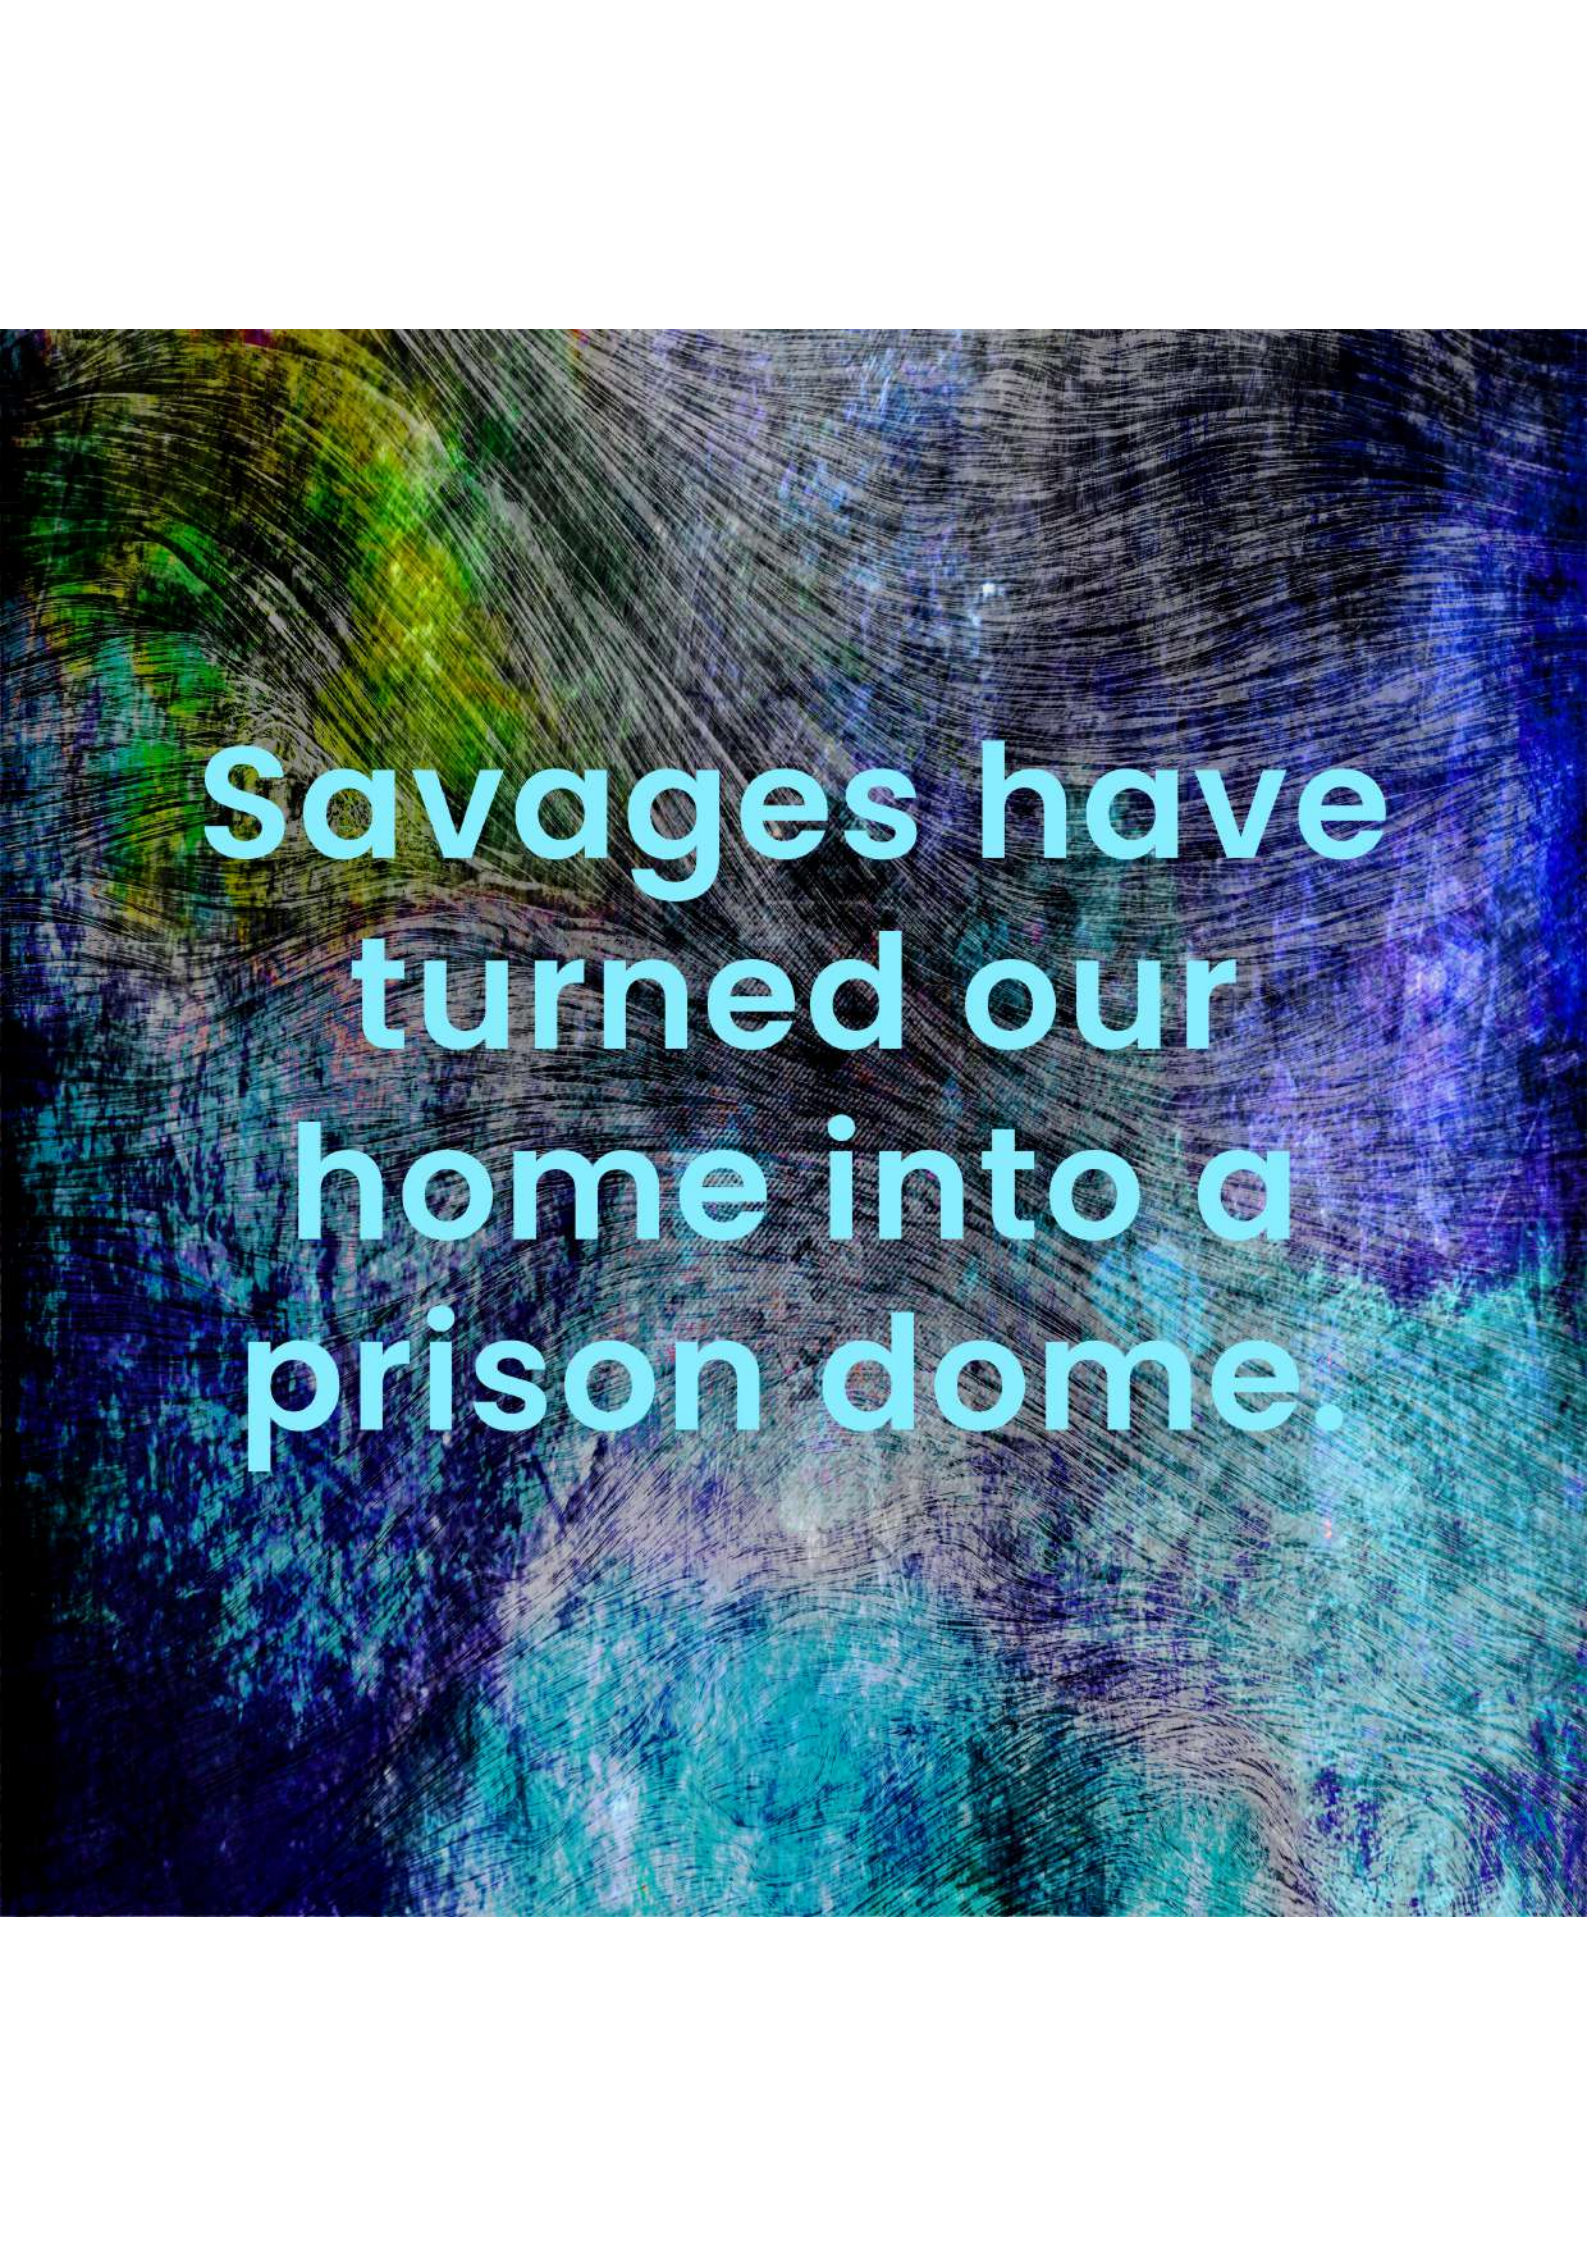

**The monetary
system can go from
paper money to
toilet paper.**

An abstract, textured background featuring a mix of vibrant green, deep blue, and purple hues. The colors are layered and blended, creating a complex, organic pattern. The overall effect is reminiscent of a microscopic view or a close-up of a natural material like marble or stone.

**It is not phobic to
be repulsed by the
idea of eating hot
dog flavoured ice
cream.**

An abstract, textured background featuring swirling patterns of vibrant colors including green, blue, purple, and teal. The colors are layered and blended, creating a sense of depth and movement. The overall effect is reminiscent of a microscopic view of a material or a close-up of a natural surface like a butterfly's wing.

**Savages have
turned our
home into a
prison dome.**

An aerial photograph of a river delta, showing a complex network of channels and islands. The water is a deep blue, while the land is a mix of brown, tan, and green, indicating different soil types and vegetation. The text is overlaid in the center of the image.

**The soul of
man is neither
good or bad.
It is empty.**

**The left hand accuses
the right of the same
thing the left does
and vice versa.**

**The most valuable
treasure is the
ability to dictate
what has worth.**

**Uplifting others is
getting oneself
dragged down.**

**The aliens are
here.**

**The problem with
identifying as a bear
is hunting season.**

**Oil should have stayed in
the ground where it
belongs.**

**Taxation should cover
cremation.**

**There is no difference between
a doll and an actor.
Manipulators determine
the range of motion.**

**One's demise can be no
surprise if truths are lies seen
through blind eyes.**

The optimists are trying to save the earth with the same tools that built the disastrous structures.
